Dear _____ ,

Today I made garlic toast / waffles in the kitchen. First I took 2 pieces of waffles/bread and put them in the toaster. Then I set the toaster to 2 / 6 and pressed the lever up / down. After the pieces of bread popped up, I took them out of the toaster/fridge and put them on my table/plate. I used a knife/fork to spread butter/ketchup on one of the pieces. Then I used a spoon/knife to spread butter on the other piece. To finish my meal, I sprinkled salt/garlic powder on the toasted bread. It tasted _____.

Sincerely,
